WELCOME!

FESTIVAL WELCOME LETTER

I am so grateful that we can once again gather together in person and watch some of the most talented filmmakers in the world share their stories. If the last few years have taught us anything, it's to appreciate that experiences are all the more sweet when able to be shared together, safely. We are at the beach, summer is on its way.... life is definitely good!

And with that, I'd like to welcome everyone to the 2022 Lighthouse International Film Festival!

My name is Rob Karol and, after volunteering for the Festival in the past and a 25-year career in film, television, and gaming production, I am thrilled and honored to be brought in as Executive Director. Our amazing Festival family is truly awe-inspiring, and we are all primed for some serious future growth. But I first have to acknowledge the outstanding initiatives that our team has worked so hard to bring to fruition, before my arrival as Executive Director.

I am so proud of our beautiful new website, the addition of the Darkhouse horror/sci-fi film program, some fantastic new screening venues, and the reinstatement of a shuttle service running up and down LBI to get you to screenings and events. Our team never ceases to impress and I can't wait to see what more we are going to accomplish together in the coming years.

We are so fortunate to have the roster of films that our fantastic Artistic Director, Amir Bogen, has curated this year. To Leslie, starring Andrea Riseborough (*Birdman*, *Waco*) and Marc Maron (*Joker*, *GLOW*) will be opening the festival. You are going to be blown away, as the performances are a master class in acting. I would not be surprised if there was an Oscar nomination in Ms. Riseborough's future. Another headliner, *Spin Me Round*, written by Alison Brie and starring a stellar cast including Brie, Molly Shannon, and Fred Armisen, is brilliant and a hilariously fun ride. From top to bottom, we are providing you with films that are going to challenge you, entertain you, and spark some serious conversations. And isn't that what art is really about?

We all know that the Lighthouse International Film Festival is one of the most innovative, pioneering, and cool festivals in the world. It is my honor and pleasure to be able to help keep that tradition alive and to endeavor to bring us to even higher highs.

Finally, I'd like to give a big shout-out to the LBI community, our local business supporters, and our dedicated volunteers. None of this would be possible without you!

We are going to have a great weekend together, and I can't wait to meet you.

"Sea" you at the movies!

A woman won the Palme d'Or in 2021, but did anything really change or was it just a show of hypocrisy?

Join four international female filmmakers—Lisa Bierwirth (Germany), Margot Schaap (The Netherlands), Mercedes Grower (UK), and Samar Quity (Palestine)—in an in-depth discussion about the impact of female filmmaker empowerment overseas.

LONG BEACH ISLAND SHUTTLE SERVICE

JUNE 2ND - 5TH

THURSDAY - SUNDAY
8:00 AM TO 2:00 AM

Those colorful LBI Shuttle buses running up and down Long Beach Island BLVD are for you!

SHUTTLES ARE FREE FOR LIFF PASS HOLDERS

LBI Shuttle buses will be stopping at all screening venues, parties, Breakfast with the Filmmakers, and events to help you get where you are going. Please, no alcohol or smoking on Shuttle buses!

HOW DO YOU CATCH THE LBI SHUTTLE?

Stand on any corner on Long Beach Blvd. When you see a colorful "LBI SHUTTLE" bus approaching, wave vigorously, no need to dance (but feel free to!).

IF SOMEONE IN MY PARTY DOES NOT HAVE AN ALL ACCESS PASS CAN THEY RIDE?

Yes, the fee is \$2 until 7:00 pm and \$5 after 7:00 pm.

HOW OFTEN DOES THE LBI SHUTTLE RUN?

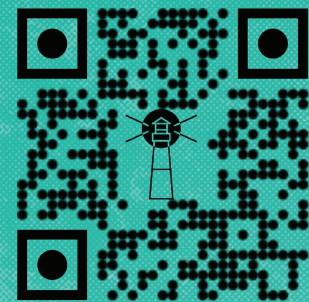

The Shuttles run on a continuous loop. A bus should be at the venues every 20 minutes depending on traffic & road conditions. There will be a bus at the end of a screening or event to take you to other screening venues.
